SAFETY & EMERGENCY			
FBAO			37-38
Gait Belt			162, 170, 237, 239
Body Mechanics			31, 162
POSITIONING, TURNING & TRANSFER			
One/two person assist			162, 167, 170
Positioning with draw sheet			163-164
Positioning with resident assist			163-167
Positioning in chair/wheelchair			170, 240
Transfer from chair to bed Transfer from bed to chair			167, 170
Turn resident away from self			164
Logrolling			166
Turn resident with resident assist			164
Passive range of motion			242-243
Assist Resident to stand with/without gait belt			167, 170, 237
Transfer with lift (clinical)			173
Ambulation with cane/walker			237, 239

Positioning : • Lateral • Sims • Fowler's • Supine • Prone			162, 164, 240
VITAL SIGNS			
Temperature Parameters			179-180
Oral/ Rectal/ Axillary-Digital			181, 183, 184, 185

Required Skills Nurse Aide Training Program	LAB PRACTICUM Instructor's Initial/Date	CLINICAL PRACTICUM Instructor's Initial/Date	Location in Hartman's Nursing Assistant Care: The Basics – 6th Edition
Oral/Rectal/Axillary/Glass (mercury-free)			181, 183, 185
Radial pulse - parameters			179, 187
Radial pulse			187
Blood pressure - parameters			179, 189
Blood pressure			189-190
Respiration - Parameters			179, 187
Measuring Respiration			187
Weight (ambulatory or needle indicator scale)			193
Wheelchair-Chair-Bed Scale (clinical only)			193
Height of the bedridden Resident			193-194
Vital Sign Recording - notebook, pen, & watch with second hand			21, 179
RESIDENT'S ENVIRONMENT			
Admission/Discharge			175-178
Care of Resident's belongings			176, 208
Making occupied bed			209-210
Making unoccupied bed			213
Cleanliness of resident's room			208
ROLE OF THE NURSE AIDE			
Communication skills			21-30
Stress management			255
Interpersonal skills			8, 21-30

Chain of command			4-8
Work ethics			8-10
Care plan			4-8, 18-20
Documentation/Shift Report			18-20, 21
Scope of practice			4, 8
Conflict management			252
Manage cognitively impaired			115-127
Customer service			8, 21
Aging Process			69-72
RESIDENT'S GROOMING & PERSONAL CARE WITH OBSERVATION OF PRESSURE ULCERS			
Complete and partial bed bath			133
Shower (clinical)			140
Tub bath/Whirlpool (clinical)			140
Perineal care-male/female			133, 157
Skin care			129, 137
Dressing/ undressing			148-149
Dressing with weak side			149

Required Skills Nurse Aide Training Program	LAB PRACTICUM Instructor's Initial/Date	CLINICAL PRACTICUM Instructor's Initial/Date	Location in Hartman's Nursing Assistant Care: The Basics – 6th Edition
Hair care- shampoo, brushing, combing			139, 145
Nail care			143
Foot care			144
Shaving resident			146
Brushing /flossing teeth & dentures			152, 154, 156
Denture Care			156
Observation & care of skin tears			129, 214
